

Dear Parents,

We are excited to announce that starting this summer we will be offering a new driver's education option for students in need of completing driver's education. Our plan is to have two sessions, one in June and one in July. The dates are somewhat tentative depending on any potential make-up school days, but the June class will begin in late May-early June. The second session will start toward the end of June and work around Jr. High Softball/Baseball schedules. Our goal is to get the students through the classroom part as efficiently as possible so that they have time to enjoy family vacations, church activities, camps, etc.

Our objective with this new program is to provide a quality driver's education program with more flexibility. We understand that your child may be involved in many activities! That is something we not only encourage but also will try our best to work around. As long as the students are responsible about communicating with us and making up the time/work they missed in a timely manner, it will work out very well. Class sizes will be limited, so if you are interested in registering for a session please contact me. **Below are the sign-up sheets.** Please complete and return forms and payment to the address/email below. If you have any questions don't hesitate to call or email. We look forward to the possibility of working with you and your child in providing a quality driver's education program that fits their needs and works around their schedules!

All classes, by law, include 30 hours of classroom instruction and 6 hours of actual behind the wheel training. ***Students must have a valid learner's permit prior to class start date***, and please make sure that you are practicing with your child! The more confident they are in their abilities to drive, the more success they will have in the program.

A deposit of \$100 is required to hold your spot in a specific session. The remaining balance is due by the first class period. The deposit is non-refundable, but can be applied to a later session if conflicts arise. There is a *no-refund policy* for this course. If you fail the classroom instruction and/or driving instruction you will need to retake the course.

Please return the registration form to JJ Franken. Forms can be emailed or mailed. If you have any questions feel free to call or email! Email confirmation will be sent out verifying acceptance into the classroom, session dates, and location. We look forward to the possibility of working with you and your child in providing a quality driver's education program!
