

## **JUNIOR KNIGHTS BOYS BASKETBALL**

*"Junior Knights welcomes all boys in grades 5-8 who have a passion for basketball! Junior Knights players will attend regularly scheduled practices and compete in area tournaments. Junior Knights coaches will introduce offensive and defensive sets that the players will use when they begin competing at the High School level. Junior Knights is an excellent outlet to compete, develop your basketball skill-set, honor God, and have fun! The Unity Christian Boys Basketball coaching staff would love to have your sons join the Junior Knights!" – Coach Cliff Warner*

All of our coaches are parent volunteers. We practice at Unity and OCCS (usually once a week in the evenings). We will play in weekend tournaments (about 5 tournaments depending on grade level). The cost is determined by how many boys sign up on each grade level and how many tournaments. We provide a reversible jersey that the boys use for both games and practices. The boys use these during the season and then return them once the season is completed. Teams are broken up by grade level for boys in 5th-8th grades

We will begin practice late November/early December and have the season wrapped up by the end of February. The coach for each grade level will contact you once sign ups are complete with the practice schedule and more details about the team and season.

**SIGN UP DEADLINE IS OCTOBER 26**

To sign up – copy and paste this link into your web browser and fill out the form:
