

 The SCCS
Mission

Disciple God's children
by equipping them with a
knowledge and understanding
of Christ and His creation
so that they can obediently
serve God and others
as they work and play.

SIoux CENTER
CHRISTIAN
SCHOOL

...serving God and others as we work and play since 1905

Proclaiming *Christ* in every area

By God's grace, the faculty, staff, parents, and supporters of Sioux Center Christian School have remained committed to a vision for Biblically-grounded, Christ-centered education since its beginning over a century ago.

This vision seeks to nurture a Christian faith that proclaims Christ as CREATOR, REDEEMER, and LORD of ALL.

Commitment to this vision is evident in every moment of the day at SCCS. Our teachers and staff love the Lord and love our children, and they work together with parents to discover in each student the gifts they have been given by God, to further His Kingdom and give Him glory.

Academics

- From transitional kindergarten through eighth grade, students learn about God's order, design, grace, and sovereignty in every area they study - art, Bible, language arts, science, math, social studies, reading, music, physical education, and technology.
- Hands-on technology enhances our comprehensive curriculum. Our dedicated teachers deliver the full educational experience to their students, while also understanding the uniqueness of each child and adapting as needed.
- Enhanced programs with dedicated staff are available for all students through our inclusive education program.
- Every teacher is state certified, and we are accredited with Christian Schools International and the Iowa Department of Education.

Opportunities

- ▶ Music can often be heard in our halls: from songs of praise in the classrooms, to music class (where students learn the fundamentals) to participation in musicals, orchestra, and band.
- ▶ Students participate in drama through classroom skits, chapel drama troupe, and an annual junior high production.
- ▶ Physical activity is encouraged through P.E. and recess. In junior high, team sports in soccer, volleyball, basketball and track are available.

Faith Nurturing

- ▶ Every school day in every classroom begins with devotions and every day ends with prayer.
- ▶ Each month, the entire student body gathers for chapel, centered around a theme. God's Word is brought to hearts and minds through singing, skits or a message by a local pastor.
- ▶ We follow a Bible memory plan that tucks God's Word in students' hearts for life. A Faith Formation Journal also encourages students to record their faith as they progress through the grades.

Resources

- ▶ A school counselor and registered nurse are available.
- ▶ Paraprofessionals in the classrooms provide support to students who need it.
- ▶ The library, resource room, and Discovery program are integral to the school day for many students.
- ▶ Hands-on learning technology (including tablets, SMART Boards in every classroom, and mobile computer labs) are supported by a full-time technology coordinator.
- ▶ A daily school lunch program is offered, as well as bus transportation.

"It is so wonderful to witness our childrens' academic and spiritual growth. Our kids love their teachers, and the teachers are passionate about their call to partner with us in teaching and demonstrating what it means to have Christ as Lord of their lives."

—Chad and Cathy Feenstra, SCCS parents

Sioux Center Christian School

was founded because God's covenant people were committed to a broad kingdom vision of honoring Christ in education. We are still passionate about that vision today and make every effort to keep tuition affordable for every family.

Sioux Center Christian has a unique program, in which the community of believers shares the cost of educating our covenant children. We also employ a sliding tuition scale for multiple children, participate in the NICSTO financial assistance program, and offer a Tuition Reduction Incentive Program (TRIP). If you have any questions about the affordability of Christian education, don't hesitate to contact us.

Sioux Center Christian School is a place where learning and wisdom come together. We provide an education that is rooted in Christ and grounded in His Word, giving children a firm foundation for life. We truly desire to disciple the children God has put in our care, demonstrating His love, and encouraging them to daily seek His Kingdom and obediently do the tasks He has given them. As partners with parents, we pray each day for the grace and wisdom to accomplish this mission Christ has given us.
