SCHOOL

School Improvement Plan

2015-2020

The mission of Sioux Center Christian School is to disciple God's children by equipping them with a knowledge and understanding of Christ and His creation so that they can obediently serve God and others as they work and play.

Goal 1

We will focus on strategic, visionary planning for the future.

board-appointed long-range planning team, documentation of current culture and programs, long-range planning team meeting and reporting progress, seeking information from the constituency and faculty, writing a strategic plan, revising the plan, communicating the strategic plan, implementing the strategic plan

Goal 2

We will investigate and alter our governance model.

fall board retreat, training on board roles and governance models, restructuring of board governance, documentation changes in board handbook, communicating updated governance model, encouraging the board in their work, board self-assessment, writing vision statement, documenting core values, documenting philosophy statements

Goal 3

We will implement a curriculum mapping system that provides accountability and support in horizontal and vertical alignment.

investigate curriculum mapping tool, purchase curriculum mapping tool, design a schedule for mapping, support teachers in mapping, evaluate teacher use of mapping, post maps on school website, share information in school newsletters

Goal 4

We will focus on strengthening a school culture that intentionally nurtures faith.

learning about a model for faith nurturing, deciding worldview statements, designing graphics, documenting worldview statements, assessing effectiveness, applying to curriculum, applying to instruction, applying to assessment, evaluate and strengthen school behavior plan, consistently implement the school behavior plan

Goal 5

We will strengthen a culture of accountability with support.

administrator evaluation and growth, board evaluation and growth, teacher evaluation and growth
