## **Free Ice Fishing Clinic**

Looking for something to do outdoors this winter? Have you always wanted to try ice fishing, but didn't have the equipment or guidance, or maybe just want to join our group for a day on the ice? A public ice fishing clinic, hosted by the Sioux County Conservation Board will take place on January 20th from 10am-noon at Big Sioux Rec Area near Hawarden. Bring the family, sack lunch, and a bucket for your seat. The day includes ice fishing instructions, equipment to use, as well as snowshoes for you to try. We will drill holes, bait is provided. No day park pass needed during the program. Ages 16 and over need valid fishing license to actively fish. Pre-registration is required at [www.mycountyparks.com/county/sioux.aspx](http://www.mycountyparks.com/county/sioux.aspx).
