

Dear friends,

As you may know, the home of Imelda Mejia-Vargas and her three daughters was lost in a fire this past Sunday. Imelda serves at our school as a cook and custodian. She has daughter who is a freshman at Western Christian and two daughters who are in 6th grade and 3rd grade at SCCS

Thank you to all who have reached out to quickly help Imelda and the girls – clothing and many generous gift cards have already been received and are a blessing to them as they take care of immediate needs. They are living with her brother in town and will be there while the insurance company processes the claim on their home.

We know many in our supportive community want to help the Mejia-Vargas family, so we want to share that **Atlas has set up an account at American State Bank** to receive donations that will mostly be used to help them set up a home when that time comes.

To give a tax-deductible donation, please make your check payable to Atlas, with “Mejia-Vargas family” in memo. Otherwise the check can be made out to “Imelda Mejia-Vargas”.

Donations may be dropped off at American State Bank in Sioux Center, Atlas, Sioux Center Christian School or Western Christian High School.

Thank you for being such a supportive community!

Josh Bowar, Head of School
Sioux Center Christian School
