### **Parents of girls in 4th grade:**

We are also considering the possibility of having a 4th grade AAU group with more emphasis on learning the game. We are thinking it would involve a handful of practices that wouldn't start until February with one or two tournaments and/or scrimmages. We want to gauge the interest of this first, so if you are a 4th grade parent and your daughter would be interested in participating, please fill out this form: [Unity 4th grade AAU VB Interest Form](#). If there is enough interest, we put a few things on the schedule and send out more information later.
