

Parents,

Our spring driver's ed options are open for registration. As we look ahead to spring, Driven School of Driving is offering three different driver's education options to meet the needs of busy families and a variety of learning styles. Below is an overview of each option, along with direct links for additional details and registration.

Face-to-Face (Traditional Classroom)

This option is best for students who learn well with structure and in-person instruction.

The Face-to-Face program includes 30 hours of classroom instruction along with 6 hours of behind-the-wheel training. Because this course follows a set schedule, a maximum of three make-up classes will be allowed. If your student will miss more than three class sessions, it is recommended that you enroll in the Spring Online option instead.

Location: Sioux Center Community High School

Course Start Date: February 4, 2026

Spring Online (Self-Paced with More Flexibility)

This option is ideal for families who prefer more flexibility while still completing driver's education during the spring.

Students complete coursework online at their own pace with a final course deadline. For behind-the-wheel requirements, families may choose one of the following options:

- **3:3 Ratio** – 3 hours of driving completed with a parent (recorded and submitted to Dropbox) and 3 hours of driving with an instructor.
- **1:5 Ratio** – 5 hours of driving completed with a parent (recorded and submitted to Dropbox) and 1 final drive with an instructor.

Pickup Locations: Sioux Center, Hull, Rock Valley

Course Start Date: February 11, 2026

Winter Flex (Maximum Flexibility)

Winter Flex is an online, self-paced course that allows for registration at any time. This

option is perfect for students who need maximum flexibility and already spend a significant amount of time behind the wheel.

Course Start Date: Anytime
