

We understand that driver's education is often limited during the fall, and many schools may not offer classes at this time. Driven School of Driving would like to offer **additional, flexible options** to supplement what your school already provides, giving students who still need driver's ed a chance to complete it on a schedule that works for them.

1. 2025 Fall Flex [Fall Flex Registration Link](#)

- Self-paced online classroom instruction via CANVAS
- Behind-the-wheel instruction: 1 hour instructor + 5 hours parent practice
- Final drive test with a Driven instructor
- Cost: \$300
- Available at multiple locations: Hull, Rock Valley, LeMars, Orange City

2. Anytime/Anywhere [Anytime/Anywhere Registration Link](#)

- Open year-round registration for maximum flexibility
- Self-paced online classroom instruction
- Behind-the-wheel instruction: 1 hour instructor + 5 hours parent practice
- Final drive test scheduled when the student is ready
- Cost: Varies depending on location (Locations offered: Hull, Inwood, Ireton, LeMars, Milford, Orange City, Rock Rapids, Rock Valley, Sheldon, Sibley, Spencer, etc...)

Both programs are designed to **complement your school's existing offerings**, allowing students to complete their driver's ed even if the school's schedule doesn't align with their needs.

We would love to make these options available to your students and their families. For more information or to register, please visit the links above. If you have any questions please email drivenschoolofdriving@gmail.com

Thank you for helping us expand opportunities for students this fall!

Thanks,

Driven School of Driving LLC
