

# Sioux Center Christian School

# ARCHERY

## WHAT IS NASP?

SCCS is launching an Archery Program through the National Archery in the Schools Program (NASP). NASP is a nationwide program for grades 4–12, with 240+ schools participating in Iowa alone. Supported by scholarships and grants from the Department of Education and the Iowa DNR, NASP promotes:

- Engaging students in extracurricular activities
- Improving focus and classroom performance
- Outdoor skills and confidence
- Safe shooting sports education
- Wildlife conservation awareness

## WHO CAN PARTICIPATE?

- ✓ Boys and Girls — Grades 4–8
- ✓ No experience needed
- ✓ All skill levels welcome

## WHAT WILL ARCHERY LOOK LIKE AT SCCS?

Regular Archery Season: December – March

An Archery unit will be taught during PE by Mr. Groskreutz this winter for 4th-8th grades. We expect it will be taught in the fall next school year.

Practice will be offered once per week.

We hope to participate in and host archery tournaments with other local schools. There is also a state tournament at the end of March for those who qualify.

Tournaments are not required. Students may choose to attend only practices. Missing a practice is OK.

**This is a starter year, but with strong interest, SCCS hopes to fully launch competitive archery in the 2026–2027 school year.**

## WE NEED YOU!

Help make this program thrive!

Volunteers are needed for:

- Basic Archery instruction (or willing to earn BAI Certification)
- Setup & cleanup
- Practice supervision

More volunteers means more opportunities for students!

## PARENT & STUDENT INFO MEETING

**Monday, January 26, 2026 @ 7pm**

SCCS Choir Room

(Enter through Main Entrance)

## PRACTICE

Due to limited space, each practice will be split into two 45 min sessions. Students will sign up for one of the two sessions. Practices will be Thursday evenings, January 29 – March 12.
