What is Sioux County CLOVER KIDS?

Clover Kids is a fun, hands-on, STEAM (science, technology, engineering, art and math) focused program that introduces youth to a variety of 4-H concepts and project areas. Clover Kids explore the world through experiential learning that encourages cooperation, creativity, teamwork and fun.

Clover Kids is offered once a month, November 2026 through April 2027. It is open to all 1st through 3rd grade youth — in public school, private school, and homeschool.

The registration deadline is September 22, or when a section fills with 20 participants. Participation fee is $30. Financial assistance is also available upon request.

A FREE T-shirt will be provided to each Clover Kid thanks to a generous sponsorship from American State Bank.

WHAT YOUTH CAN EXPECT

- Explore science, healthy living, technology, citizenship, leadership, communication and the arts.
- Strengthen motor skills through a variety of experiments and crafts.
- Make friends and learn to work positively in a group setting.
- Have fun learning and playing cooperative games.
- Participate in the Sioux County Youth Fair in July.
