

4Care is a play-based child-care opportunity for 4-year-olds enrolled in preschool for the 2022-23 school year.

It is an opportunity for children who attend preschool to enjoy **hands-on, child-led, play-based learning** at Sioux Center Christian School when preschool is not in session.

Our commitment in 4Care:

- 4Care will be overseen by a licensed early childhood teacher.
- Play will be the defining feature.
- Children will be engaged as unique people and their needs, likes, and interests will be nurtured.
- Play activities will build upon a child's prior knowledge and life experiences.
- Everything will be seen as a learning opportunity to be gleaned from.
- As we live God's Story at SCCS, we will provide an atmosphere in which your child will feel loved, trusted, and nurtured.

Play Time may also consist of coloring, cutting, gluing, painting, designing, constructing, and building if children wish to create a masterpiece!

Group Gatherings will consist of times in which we can get to know each other better and build unity. Activities may include flannel poetry, puppets, singing/movement, smartboard, games, or even a surprise! Lisa Laird (puppet lady) will come once a month to visit and we will have occasional special theme days.

Your child may bring a snack from home to eat during recess.
