You can rest in the confidence

that God is placing your child under the care of teachers and staff who treasure the uniqueness of each child and who truly desire to partner with you in discovering the gifts God has given them. Together, we encourage each child to cultivate these gifts as they live in God's Story.

For 117 years, God has faithfully provided for families who have committed to Christian education. If you desire to have your child attend SCCS, please feel free to contact Dr. Bowar so he can share the ways a Christ-centered education can fit in your budget ...we never want finances to be a barrier to an education at SCCS.

SIOUX CENTER
CHRISTIAN SCHOOL

Our CORE

GOD'S TRUTH All teaching, learning, and living is to be in **obedience to God's Word**, a never-changing message in an ever-changing world.

GOD'S CHILDREN Each student is a **stunning and unique image bearer** with diverse gifts that we seek to cultivate for service, worship, and God's glory.

GOD'S SCHOOL A place where students, faculty, and staff are **enfolded in Christ's redemptive Story**. We pursue servant leadership and an environment of encouragement and accountability.

GOD'S TEACHERS Teachers are a **living curriculum**, inviting students into God's Story and showing them **His fingerprints in ALL things**. They are God's servants, and they love His children.

GOD'S COMMUNITY We **joyfully partner** with parents, churches, our community, and each other as we **share the mission of training God's children**.

GOD'S WAY We **love God and reflect Him** to others. We encourage **obedience, creativity**, and a **pursuit of excellence** in every aspect of God's Story.

GOD'S WORLD Together, we **daily seek to answer God's call** to be His co-workers of restoration in the world. We desire to make an **eternal impact by sharing God's Story**.

We train God's children within a framework that invites students to **imagine their place in God's Story** and **practice living it - now**.

Teaching for Transformation

Teachers design learning experiences that help students **DISCOVER GOD'S STORY** and His **FINGERPRINTS in ALL THINGS**, with the hope that every learning experience will become **truly transformational** for every student.

In each classroom, every student is...

- **INVITED** to explore their role in the Kingdom Story, through lessons prayerfully connected to a classroom storyline and biblical throughlines.
- **NURTURED** to be peculiar people who are distinct because of their love and desire for the Kingdom of God.
- **EMPOWERED** to be active and creative in God's Kingdom work now, doing real work for real people with real needs.

We Believe...

- The Scripture of the Old and New Testament to be the Word of God, the **only infallible rule of faith and practice**, and that this Scripture guides all decisions.
- The divine Word of God has been **most clearly and consistently** interpreted in the Reformed perspective, creeds, and confessions.
- All students, faculty, and staff are unique image bearers of Christ and should have their needs met, learning and growing so they can serve as covenant members of God's Kingdom.
- Everyone - students, faculty, and staff - can and should learn and develop **academically, socially, emotionally, and spiritually**.

Our FIRM FOUNDATION

Inclusive Education
We desire for every child in a family to attend our school so that the full body of Christ is enfolded. This is why we have expanded our services to provide **one-on-one support** and **specialized learning plans** for students who need extra support during the school day. Contact us to learn more.

Academics
With faculty who motivate and inspire learning, we **pursue excellence in all areas of academic study**. We also provide opportunities for **enrichment** at all grade levels, such as our Discovery program, elective courses, leadership training, and student service opportunities.

Creative Pursuits
Music can often be heard in our halls - from songs of praise in classrooms and in chapel to choir, orchestra, and band. Drama and art are also included in classroom studies. We believe **creative pursuits are vital** and encourage all students to explore God's gift of creativity.

Athletics
Physical activity is something we recognize and encourage as an **important part of student development**. Every grade has PE classes and regular recesses. Our 7th and 8th graders have the opportunity to play the team sports of volleyball, basketball, soccer, and track.

Our DESTINATION

From the first day a child walks through the doors of SCCS to the day they walk across the stage to receive their diploma, we **train every student to grow in discipleship characteristics**, something we call **biblical throughlines**.

We provide opportunities to **practice living** these biblical throughlines, in order to lay a **sure foundation** in students' lives as they **serve Christ** and work as His **lifelong agents of transformation** in the world.

Every SCCS student is in training as a...

God Worshiper

Earth Keeper

Creation Enjoyer

Word Applier

Beauty Maker

Servant Worker

Image Reflector

Justice Seeker

Community Builder

Truth Finder

WE BELIEVE

We believe one of the greatest missions God has given His followers is the training of His children in His Way.

We obey Christ's Great Commission to make disciples of all nations by beginning with our children - training them in our homes, at church, and in school.

Together, as a covenant community of believers, we fulfill our baptism promises by supporting Christ-centered education, through prayer, time, and financial commitments. We trust that God will continue His faithfulness to SCCS, and that His children will be treasured, trained, and transformed as they learn and live God's Story for generations to come!
