

Aftercare Financial Commitment

Please complete one per family.

Through our Aftercare program, we are seeking to continue our partnership with the parents of Sioux Center Christian School by working to provide the best childcare possible. Our Aftercare program pricing will allow our program to provide the highest quality care for the participating families. Through this financial agreement, SCCS is able to make the following benefits available:

- A consistent support staff in the Aftercare program for students.
- A more structured program during the Aftercare times.
- A program that supports SCCS families and allows an even stronger partnership to be formed between school and home.

See below for the pricing structure of the Aftercare program. The pricing will be adjusted according to the actual dates your child participates in Aftercare. Aftercare billing will be sent to parents at the end of each month. We ask that all bills are paid by the 10th of the following month (just like tuition is due).

- **Aftercare registration fee:** \$25/family
- **Registered cost (families who register in August):** \$3.20/hour/child
- **Drop-in care (families who register after August):** \$3.85/hour/child
- **Professional development days:** \$3.60/hour/child (AM and PM snack provided) (open to all families who are registered for Aftercare)

To register, include the child’s name and place a check mark in the day(s) you want care.

Child(ren)	Monday	Tuesday	Wednesday	Thursday	Friday

I understand the pricing of this program and agree to pay costs by the 10th of each month. I understand that I will not be charged until my child uses the service. I understand that late payments may result in loss of program services.
