

**MOC-FLOYD VALLEY HIGH SCHOOL
2022 SPRING/SUMMER DRIVER EDUCATION – REGISTRATION FORM**

We appreciate the interest and desire to have your student take the Driver Education course through MOC-Floyd Valley High School. Our course this year will operate a bit differently than normal as we continue to adjust our delivery of content as a result of the COVID-19 pandemic. Thus, we plan to offer the required 30 hours of classroom instruction via a hybrid model of face-to-face instruction combined with our online platform: Edpuzzle.

In-person Face-to-Face Instruction

Time	Date	Activity	Participants
8:00 – 10:00am	Saturday, April 16	State Trooper Presentation	Students
10:00 – 11:00am	Saturday, April 16	Informational Meeting	Students & Parents

Online Edpuzzle activities will be assigned on, or after, April 16th.

Registration forms are available in the High School and Middle School Buildings. Students must have a driver’s permit by April 1, in order to be eligible for the 2022 Driver Education Class at MOC-Floyd Valley. Classes will be filled based upon chronological age.

We will hold an informational meeting with course participants, and their parents, on Saturday, April 16th (10:00 – 11:00am) in the High School Auditorium. Students will begin the day with two hours of face-to-face classroom instruction. The informational meeting will also allow you to meet your driving instructor and schedule your initial drive times.

The six hours of behind-the-wheel instruction will be scheduled on an individual basis. Students should indicate a preference of a driving partner on this registration form. **Completed registration forms, along with payment, must be turned in to the MOC-Floyd Valley High School office by Monday, March 28th.**
