

May 1, 2017

To the parents of _____,

In order to be compliant with Iowa state law, your student needs the following immunization(s) before school begins on August 23, 2018.

Legally, students behind in their immunizations must be excluded from school and all school activities.

We will be making arrangements for exclusions to begin October 24. We have copies of exemption requests if you choose not to immunize your student, but they must be filled out and on file by the exclusion date.

You may call Stacy at school if you feel you have received this letter in error, or if you have any questions.

Sincerely,

Stacy Schaap, school nurse
