Session	Class Dates	Classroom Hours
Summer Session #1 2021	Parent's Meeting: May 5 <i>Location to Be Determined</i>	5:00-6:30 pm
	Mornings: May 6, 11, 13, 18, 20, 25, 27	6:15 am-7:45 am
	Saturday, May 8	8:00-11:00 am

The parent's meeting is an informational meeting that is very helpful. Students must be in attendance as this time also counts toward their class time. We will line up the initial drive once class gets started. After the initial drives, all other drives will be arranged with the driving instructor and student at the conclusion of their scheduled drive. Driving times will vary but may extend up to 30 days after the final classroom session. (*Students will drive with a partner and will schedule driving times that fit their schedules.*)

All classes include 30 hours of classroom instruction and 6 hours of actual behind the wheel training. The format of this class will be a "hybrid" format where half of the hours are face to face, and half is completed via the online classroom. **Students must have a valid learner's permit prior to class start date.** It is also important that you are practicing with your child! The more confident they are in their abilities to drive, the more success they will have in the program. There is a *no-refund policy* for this course. If you fail the classroom instruction and/or driving instruction you will need to retake the course.

Please register online, and mail checks to the address below. Please make sure to register your child prior to May 1. A late registration fee (*additional \$25*) will be added if students aren't signed up before prior to May 1. If you have any questions, feel free to call or email. Email confirmation will be sent out verifying acceptance into the classroom, final session dates, and location. We look forward to the possibility of working with you and your child in providing a quality, flexible driver's education program that works with the busy schedules of your children!

Session	Class Dates	Classroom Hours
Summer Option #2	Parent's Meeting: Tuesday, May 18 <i>(Zoom Session to discuss/explain online format)</i>	5:00-6:30 pm (Parent's Meeting) Location TBD
	Zoom Class Sessions (Optional): May 24, May 31, with more to be added if needed)	7:00 am
	Final Due Date for Classroom Portion- July 1, 2021	

Note: Pickup locations for drives will be available in the following locations: **Sioux Center, Hull, Rock Valley, Orange City, LeMars, and Ireton** (If more than 8 from your school district sign up for this program we can possibly make arrangements to add a pickup location)

The classroom portion will be online and self-paced through google classroom. We have spent a lot of time developing our curriculum and obtaining approval from the state so that it complies with their standards. There are 3 different options for completing the driving as highlighted below: *(Note that any of the driving options can be adjusted to fit your child's needs for BTW instruction ex: instead of driving 5-1 ratio driving a 6-0 ratio with instructor). All hours not being completed with instructor need to be videotaped and submitted in google classroom.*

5-1 Ratio: In the 5-1 ratio of Behind the Wheel instruction 5 hours of driving is completed with an instructor and 1 hour is completed with the parent. *(This option best fits the student that does not have a lot of driving experience at this point)*

3-3 Ratio: In the 3-3 ratio of Behind the Wheel instruction 3 hours of driving are completed with an instructor and 3 hours are completed with the parent. *(This is the most popular option and best fits the student that has a fair amount of experience and parents have put in the time driving practicing with their child)*

1-5 Ratio: In the 1-5 ratio of Behind the Wheel instruction 1 hour of driving is completed with an instructor and 5 hours are completed with the parent. *(This option is for the student who has a lot of experience, is confident, and you as a parent would trust driving anywhere independently at this point.)*

Note: Any of the above options can be adjusted to fit your child's driving needs.
