

Summer 2018

Dear Parent(s) and/or Guardian(s):

All Sioux Center students in TK – 6th grade have the opportunity to take advantage of the community led Sack Pack Program. The Sack Pack Program is a program that provides **free** food items in a “sack” each Friday to assist families who are struggling to make ends meet. The program gives children a sack of nutritious, easy-to-prepare snacks for the weekend.

The Sack Pack Program will begin in September and continue until the end of the school year. The volunteer committee packing the bags will not have access to any names of families participating. They will be preparing the sacks and delivering them to school. The sacks will then be handed out on Fridays or at the end of the school week. A school representative will discreetly distribute the sack to your child.

If you have more than one child at the Sioux Center Schools in TK – 6th grade, you only need to return one form. Please write each child’s name and their grade level. Complete the form with your signature.

We are excited about this opportunity and look forward to supplying sacks of food to those families who wish to participate. If you have any questions, please email them to sackpack@mtcnet.net.

Sincerely,

Sack Pack Committee
