

# Spanish Club

## WHAT IS IT?

**Spanish Club is a time for students to come together and learn the Spanish language.** Spanish is acquired best when students hear and apply target vocabulary in a variety of ways. In Spanish Club, students will **learn in an interactive environment** that allows them to **hear and repeat** Spanish vocabulary in stories, games, songs, and more.

**FIRST CLASS:  
OCTOBER 15TH**

## ABOUT SENORITA WALVOORT

**Senorita Walvoort will be leading this club.** She also serves as a resource teacher at school. Senorita Walvoort has a degree in Spanish and has studied Spanish since middle school. During the summer of 2017, she studied in Sevilla, Spain for two months. She also student taught in Nicaragua, serving as a teacher at Tesoros de Dios, where she taught in Spanish every day to students who have special needs. Her love for Spanish continues to grow, and she is **excited for the opportunity to share with others.**

## WHY JOIN?

Students are encouraged to join Spanish Club to **discover the beauty of the language and to reach Spanish speakers** in the Siouxland community.

**My deep hope** would be that students would be able understand and appreciate their Hispanic neighbors through language and a variety of fun activities.

## LEARNING TARGETS:

1. I can be introduced to the Spanish language.
2. I can use my Spanish while at home and in the community.
3. I can appreciate my Hispanic neighbors through language activities
