

Parents,

Below are the options for summer drivers ed classes to be held at Sioux Center Community High School. Please note that the format for the early summer course has changed a little from the previous years. The goal with starting a little earlier is to allow the course to finish class within the first week of June. The driving will extend into July, but the nice part about the driving is there are no "set dates" and the students can line those up when it works in their schedules. We understand that the number of activities whether it be lifting, baseball, softball, summer workouts, band, choir, etc... continue to increase in the summer and by starting earlier we're hoping that this format helps alleviate some of those conflicts. As always there are always going to be conflicts, but if they are communicated and the students are proactive with getting classroom hours made up, it will all work out well. We also seem to be continually adding snow days to the end of the school year, but this will allow us to complete the class in early June. Currently there are 31 class hours built into the schedule with the ability to add 6 more hours on June 6 and June 7 if we need to.

A second session will also be offered for those who can't make the first session work or those who have children that don't turn 14 until later. The second class will be dependent on class size. If there aren't enough students signed up for the second class we may cancel it. As always if you have questions feel free to contact me.

Thanks,

JJ Franken

Dear Parent/Guardian:

Thank you for your interest in our driver's education program through DRIVEN School of Driving LLC. Listed below are the scheduled class periods that will be offered in Sioux Center, IA this summer for **Session #1**.

We will line up the initial drive times at the end of the first classroom session. After the initial drive, all other drives will be arranged with the driving instructor at the conclusion of their scheduled drive. Driving times will vary, but may extend up to 30 days after the final classroom session.

All classes, include 30 hours of classroom instruction and 6 hours of actual behind the wheel training. **Students must have a valid learner's permit prior to class start date**, and please make sure that you are practicing with your child! The more confident they are in their abilities to drive, the more success they will have in the program.

There is a *no-refund policy* for this course. If you fail the classroom instruction and/or driving instruction you will need to retake the course.

Please return the registration form to JJ Franken or the High School Office. Forms can be emailed or mailed. If you have any questions feel free to call or email! Email confirmation will be sent out verifying acceptance into the classroom, final session dates, and location. We look forward to the possibility of working with you and your child in providing a quality driver's education program!
