

Something New: Most School Supplies Provided by SCCS

Over the past couple of years, parents have asked if we would consider purchasing school supplies for students. With supply chain interruptions, shortened store hours, and added stress of mitigations, now seems like the time to try it. For 20-21, **school supplies will be provided by SCCS** in our effort to be stewardly (we buy in bulk at reduced cost), safe (reducing crowds shopping), and simple (families think about a lot at the beginning of the year). No need to wonder if you've got the right 3-subject notebook or pink soap eraser! **Check this task off your list.** The supplies will be covered by the activity fee you already pay at registration. There will be very few items you will need to provide, listed below:

TK

- backpack
- paint shirt
- photo of student/family

Kindergarten

- backpack
- paint shirt
- 4x6 or smaller photo of child
- soft beach towel for rest time (no mat)
- tennis shoes for PE
